FADE IN:

EXT. RUNDOWN ORPHANAGE - DAY

We see small particles fly with the wind. With rusted sign, and fence. The surroundings seem to be rotting very slowly.

TEXT OVER BLACK:

"A Rotting Paradise".

The "Paradise" gets vigorously scribbled over after 1 second.

EXT. PLAYGROUND - CONTINUOUS

Children are playing in the playground, giggling peacefully, like the particles are still fly. A group of kids TOSS a ball around.

One of them fails to catch, and the ball ROLLS over to a girl. She picks up the ball, revealing her unique appearance.

EMILY

Ew! Ellie already touched it. Let's go.

JAMES

Gross!

The kids walk away, revealing a group of tall kids surrounding a small staircase in the distance.

ELLIE is saddened, then notices the tall kids, and walks over them while holding the ball.

LILLY

(Distant)
Screw off! I don't want your disease!

MAL

(Distant)
Taint! You listening!?

We hear what the tall kids are saying more clearly.

AXEL

How the hell did you get accepted here?

XPHEN a white haired boy says nothing, as he sits on the small staircase.

AXEL (CONT'D)

(Beat)

Well!?

ELLIE is behind the tall kids, and hears them bad mouth the boy.

KALVIN

Huh! Guess he's deaf.

ELLIE stands on her tippy toes and looks over the bully's shoulders.

We get a close-up of XPHEN's left leg JITTER up and down viciously as he sits on the small staircase.

KALVIN notices ELLIE behind him.

KALVIN (CONT'D)

The hell do you want?

The bullies turn, and face ELLIE with a mean intent.

AXEL

Screw off, this isn't your business.

He analyzes her and gets furious.

AXEL (CONT'D)

Actually scratch that. It is your business.

He walks over to her, then SNATCHES the ball, holds it above, forcing her to stand still and watch. She shows displeasure with his actions.

AXEL (CONT'D)

Taints like you shouldn't be here.
Especially after what scum like you
have done.

He throws the ball at her face, causing her to fall. ELLIE sheds a tear.

AXEL (CONT'D)

It's your mess, so clean it! Same
goes for yo- uh!

AXEL looks at the boy, realizing the boy is ignoring the situation, angering him.

AXEL (CONT'D)

Grr! You think a killer like you
can stay her and go unpunished.
What scum kills his own parents-!

AXEL reaches for XPHEN. But he GRIPS AXEL'S arm.

AXEL (CONT'D)

Uh?

The boy begins to put pressure CRACKING, and POPPING AXEL'S
arm. Forcing him to kneel in pain.

AXEL (CONT'D)

Ah! Ah!

The boy glares at him, disturbing AXEL, and the other
bullies. We see a yellow pupil oozing, and glowing with the
intent to kill.

VISION

XPHEN visualizes AXEL'S arm being RIPPED off, GUSHING blood as
he lets out an ear piercing scream.

AXEL

(Echo)

AAUURRGH!

BACK TO SCENE.

But he holds back and BREAKS AXEL'S arm.

AXEL (CONT'D)

AAUURRGH!

AXEL and his goon are now more disturbed than ever.

AXEL (CONT'D)

AAURGH!

KALVIN looks at AXEL'S arm, and sees the bone sticking out,
along with his blood SPEWING out.

KALVIN

F-fu-!?

He sees the boy's eye and is scared to even finish. He grabs
AXEL and pulls him up, they both run off in a panic.

AXEL

(Distant)

You need to fucking Die Asshole!
Fucking Die!

ELLIE looks at the bullies as they run off. She then looks at the boy.

CLOSE UP OF XPHENS EYE

We hear a loud and sharp distorted growl.

She shows no disturbance, but curiosity. She gets up, GRABS the ball, and walks over to him. She extends her arms out. We slowly zoom out as ELLIE says-

ELLIE

Wanna play?

DISTORT TO BLACK.
